

Number of Calculations

The screenshot shows a software interface with a top navigation bar containing 'File', 'Data', 'Worksheet', and 'Dashboard'. Below this is a toolbar with icons for home, back, forward, refresh, save, and a plus sign. A tab bar shows 'Data' and 'Analytics'. The 'Data' tab is active, displaying a list of tables. The list is titled 'Tables' and includes a search bar, a filter icon, and a view toggle icon. The tables listed are: 'Index (bin)' (with a bar chart icon), 'State' (with a globe icon), 'Year' (with a hash icon), 'Measure Names' (with an 'Abc' icon), 'Index' (with a hash icon), 'Number of Manufacturers' (with a hash icon), 'Latitude (generated)' (with a globe icon), 'Longitude (generated)' (with a globe icon), 'week 39 - us toy manufactu...' (with a hash icon), and 'Measure Values' (with a hash icon).
